

## MATERIAL SAFETY DATA SHEET

### 1. IDENTIFICATION OF SUBSTANCE / PREPARATION AND COMPANY

PRODUCT NAMES : **Imperial Leather Soap Variants**

Imperial Leather Gentle Care  
Imperial Leather Citrus Twist  
Imperial Leather Everyday Freshness  
Imperial Leather Silky Smooth  
Imperial Leather Active  
Imperial Leather Original

SUPPLIER :

PZ CUSSONS (UK) LIMITED  
CUSSONS HOUSE  
Bird Hall Lane  
Stockport  
ENGLAND  
SK3 0XN      Tel: 0161 491 8000      Fax : 0161 491 8188

### 2. COMPOSITION / INFORMATION ON INGREDIENTS

Mixture of >65% fatty acid sodium soaps, water, glycerine, fragrance and minor amounts of sodium chloride, colours and preservatives.

Gentle Care also contains Hydrolyzed milk protein and Vitamin E Acetate.

Citrus Twist also contains Sodium Ascorbyl Phosphate (Vitamin C complex)

Everyday Freshness also contains Sea Minerals

Silky Smooth also contains Hydrolyzed Silk Protein

### 3. HAZARD IDENTIFICATION

GENERAL :

FOR EXTERNAL USE ONLY

SKIN CONTACT

- Non-hazardous to skin.

EYE CONTACT

- Can cause irritation to eyes.

INHALATION

- Under normal conditions not considered a hazard.

INGESTION

- Unlikely to be harmful unless large amount consumed

### 4. FIRST AID MEASURES

SKIN CONTACT

- If irritation occurs, wash skin thoroughly with water. If irritation persists seek medical attention.

EYE CONTACT

- Wash with water for at least 15 minutes. If irritation persists seek medical attention.

INHALATION

- Not applicable

INGESTION

- Rinse mouth out with water and drink copious amounts of water. If a large amount is swallowed or symptoms develop, seek medical advice.

### 5. FIRE-FIGHTING MEASURES

## MATERIAL SAFETY DATA SHEET

- |                                                   |                                                                                |
|---------------------------------------------------|--------------------------------------------------------------------------------|
| Suitable extinguishing media :                    | • Foam, powder, carbon dioxide or water spray.                                 |
| Extinguishing media not to be used :              | • None known.                                                                  |
| Special exposure hazards :                        | • None known.                                                                  |
| Hazardous combustion products :                   | • Fumes containing oxides of carbon and nitrogen may be formed in large fires. |
| Special protective equipment for fighting fires : | • Breathing apparatus when fighting fires.                                     |

### 6. ACCIDENTAL RELEASE MEASURES

- |                            |                                                                                                                                                                         |
|----------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Personal precautions :     | • No special precautions are necessary                                                                                                                                  |
| Environmental precautions: | • Do not allow large quantities to contaminate drains, river systems and soil.                                                                                          |
| Clean up and removal :     | • Transfer product to suitably labelled container for disposal at an approved site. Residues and small spillage's can be flushed away with copious quantities of water. |

### 7. HANDLING AND STORAGE

- |            |                                                                                             |
|------------|---------------------------------------------------------------------------------------------|
| Handling : | • No Special precautions are necessary. Prevent formation of dust. Avoid contact with eyes. |
| Storage :  | • Store in original containers. Avoid extremes of temperature.                              |

### 8. EXPOSURE CONTROLS / PERSONAL PROTECTION

- |                                |                                              |
|--------------------------------|----------------------------------------------|
| General Precautions :          | • Good industrial hygiene should be followed |
| Ventilation:                   | • Not Applicable                             |
| Personal Protective Equipment: | • Not Applicable                             |

### 9. PHYSICAL AND CHEMICAL PROPERTIES

- |                      |                                                                                                                                                                                                   |
|----------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Appearance :         | Gentle Care - White opaque soap bar<br>Citrus Twist - Orange opaque soap bar<br>Everyday Freshness - Blue opaque soap bar<br>Active - Blue opaque soap bar<br>Silky Smooth - Pink opaque soap bar |
| Odour :              | Characteristic to product                                                                                                                                                                         |
| pH Value (5g/l) :    | Approx. 10                                                                                                                                                                                        |
| Boiling Point:       | N/A                                                                                                                                                                                               |
| Vapour Pressure:     | N/A                                                                                                                                                                                               |
| Solubility in water: | Moderately                                                                                                                                                                                        |
| Melting Point:       | N/A                                                                                                                                                                                               |
| Evaporation Rate:    | N/A                                                                                                                                                                                               |

## MATERIAL SAFETY DATA SHEET

### 10. STABILITY AND REACTIVITY

- Product is stable with no known hazardous reactions.

### 11. TOXICOLOGICAL INFORMATION

- No toxicological data determined.

### 12. ECOLOGICAL INFORMATION

- Biodegradation:
- Expected to be biodegradable. Product is based on naturally occurring fatty acid, no environmental problems are expected.

### 13. DISPOSAL CONSIDERATIONS

- For small amounts of product, dilute with copious quantities of water and run to waste (observing Local Authority regulations).
- For larger quantities dispose of at a suitable landfill installation.

### 14. TRANSPORT INFORMATION

Not classified as hazardous for transport.

### 15. REGULATORY INFORMATION

- The product has been assessed according to the Cosmetic Products (Safety) Regulations 1996 and is not classified as hazardous.

### 16. OTHER INFORMATION

#### EU Ingredient Listing:

**Original:** Sodium Tallowate, Sodium Palmate, Sodium Palm Kernelate, Aqua, Glycerin, Parfum, Sodium Chloride, Disodium Phosphate, Pentasodium Pentetate, Tetrasodium Etidronate, Benzyl Benzoate, Eugenol, Coumarin, Linalool, Citronellol, Alpha-Isomethyl Ionone, Geraniol, CI 77891, CI 11680, CI 71105, CI 74260, CI 77220

## MATERIAL SAFETY DATA SHEET

<b>Gentle Care:</b>	Sodium Tallowate, Sodium Palmate, Sodium Palm Kernelate, Aqua, Glycerin, Parfum, Sodium Chloride, Coconut Acid, Tocopheryl Acetate, Hydrolyzed Milk Protein, Disodium Phosphate, Pentasodium Pentetate, Tetrasodium Etidronate, Disodium DistyrylbiphenylDisulfonate, BHT, Methylchloroisothiazolinone, Methylisothiazolinone, Magnesium Nitrate, Magnesium Chloride, Butylphenyl Methylpropional, Hexyl Cinnamal, Linalool, Geraniol, Citronellol, Limonene, Alpha-Isomethyl Ionone, CI 77891, CI 74160
<b>Citrus Twist:</b>	Sodium Tallowate, Sodium Palmate, Sodium Palm Kernelate, Aqua, Glycerin, Parfum, Sodium Chloride, Sodium Ascorbyl Phosphate, Disodium Phosphate, Pentasodium Pentetate, Tetrasodium Etidronate, Limonene, Hexyl Cinnamal, Citral, Butylphenyl Methylpropional, Linalool, CI 77891, CI 71105, CI 11680
<b>Everyday Freshness:</b>	Sodium Tallowate, Sodium Palmate, Sodium Palm Kernelate, Aqua, Glycerin, Parfum, Coconut Acid, Propylene Glycol, Maris Sal, Algae, Fucus Vesiculosus, Sodium Benzoate, Methyl Paraben, Sorbic Acid, Sodium Chloride, Disodium Phosphate, Pentasodium Pentetate, Tetrasodium Etidronate, Butylphenyl Methylpropional, Hexyl Cinnamal, Citronellol, Geraniol, Benzyl Benzoate, Eugenol, Linalool, BHT, CI 77891, CI 74160
<b>Silky Smooth:</b>	Sodium Tallowate, Sodium Palmate, Sodium Palm Kernelate, Aqua, Parfum, Glycerin, Hydrolyzed Silk, Sodium Chloride, Propylene Glycol, Disodium Phosphate, Pentasodium Pentetate, Tetrasodium Etidronate, Butylphenyl Methylpropional, Hexyl Cinnamal, Citronellol, Geraniol, Benzyl Salicylate, Linalool, CI 77891, CI 12490
<b>Active:</b>	Sodium Tallowate, Sodium Palmate, Sodium Palm Kernelate, Aqua, Parfum, Glycerin, Sodium Chloride, Glycol, Disodium Phosphate, Pentasodium Pentetate, Tetrasodium Etidronate, Limonene, Linalool, Butylphenyl Methylpropional, CI 77891, CI 74160.

(According to CTPA and Cosmetics Products (Safety) Regulations 1996 and subsequent amendments)
